Dedicated to a Great Sponsor

Mrs. Walsh instructs her Spanish class.

For her help, thoughfulness, kindness, and understanding, the Annual Staff would like to dedicate this yearbook to Mrs. Rosie Walsh.

Mrs. Walsh sponsored The Warwick for five years, and due to the large number of Spanish students, she was forced to give up the position.

Among her many responsibilities, Mrs. Walsh contributed many hours to the yearbook, giving up time that could have been spent with her family.

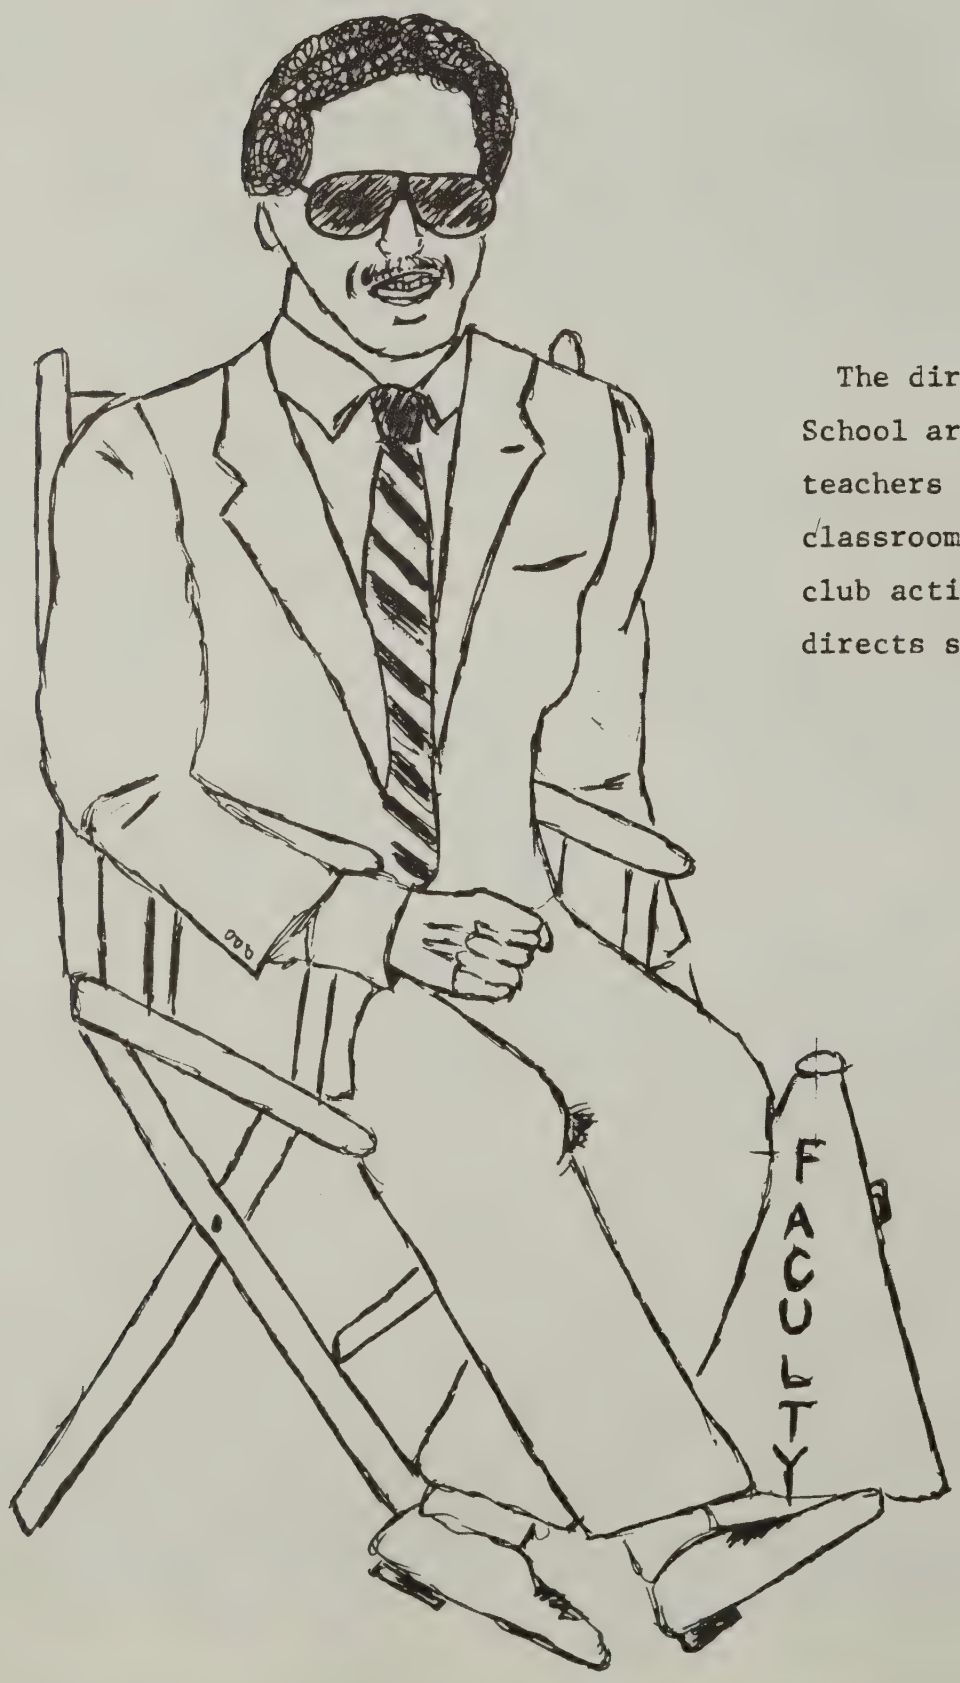
THE GUIDING LIGHT



The directors of Warwick High School are the faculty. The teachers guide students in the classroom, and in after school club activities. The faculty directs students through the year.

Stacey's P.R System A Success

Mr. Ray Crittenden, Assistant Principal

Mr. Edward Way, Assistant Principal

Ms. Ellena Armistead, Assistant Principal

Mr. Richard Stacey, principal of Warwick High School, is very concerned about attendance and quality education. He believes the first step to getting a good education is attending school regularly. To enforce this belief Mr. Stacey designed the PR program.

The PR program's (prevention/rehabilitation) goal is to cut down on the number of students who do not attend class regularly. Students who miss six or more unexcused days in any two classes are removed from their regular school and sent to a special afternoon school. At this school perfect attendance as well as good behavior and consistent academic performance are stressed. PR students may return to their regular school after a minium of two months attendance but not before the end of a semester.

An additional benefit of the PR program has been to reduce disruptions in the hall and classroom, and student tardiness. Students, who attend class regularly, and teachers are 100% in favor of the program and hope it will improve the quality of education.

CLASSES
(SOAPS)

THE STARS

All actors and actresses work on stages or settings, create a storyline, and deal with conflicts as they occur. Students are in a sense actors and actresses except their stage is Warwick High school. A student's life is almost a soap opera in itself. The conflicts faced differ from those of of the silver screen, but they are conflicts all the same. Conflicts with teachers, friends, boyfriends, girlfriends, schedules, classes, ect. Students' lives differ from those of soap operas in that their lives are real and the decisions they make could very well change their lives.

IN MEMORIAM . . .

DENISE DAVIS

Sonnet
It is not death, that sometime in a sigh
This eloquent breath shall take it speechless flight;
That sometime these bright stars, that now reply
In sunlight to the sun, shall set in night;
That this warm conscious flesh shall perish quite,
And all life's ruddy springs forget to flow;
That thoughts shall cease, and the immortal spright
Be lapped in alien clay and laid below;
It is not death to know this,-but to know
That pious thoughts, which visit at new graves
In tender pilgrimage, will cease to go
So duly and so oft,-and when grass waves
Over the past-away, there may be then
To resurrection in the minds of men.

Sports

Call To Glory . . .

Sports . . . a very vital part of life, especially school life. School sports offer a chance to develop teamwork, skills, and leadership abilities, as well as provide a way to unify the student body.

The sports program at Warwick provides individuals with an opportunity to develop self assurance. With this self assurance, these individuals not only bring the glory of victory to themselves, but also to their school.

Sports bring enjoyment and entertainment to all members of the student body and faculty. Spectators crowd into Todd Stadium and the gym to view outstanding exhibits of hard work, dedication, and sportsmanship. Also, long hours of difficult practice seem to pay off when an athelete hears the enthusiastic crowd roaring its encouragement.

Victory alone does not bring glory. Glory is seen by the individual's dedication to and participation in his or her particular sport.

The Thrill Of

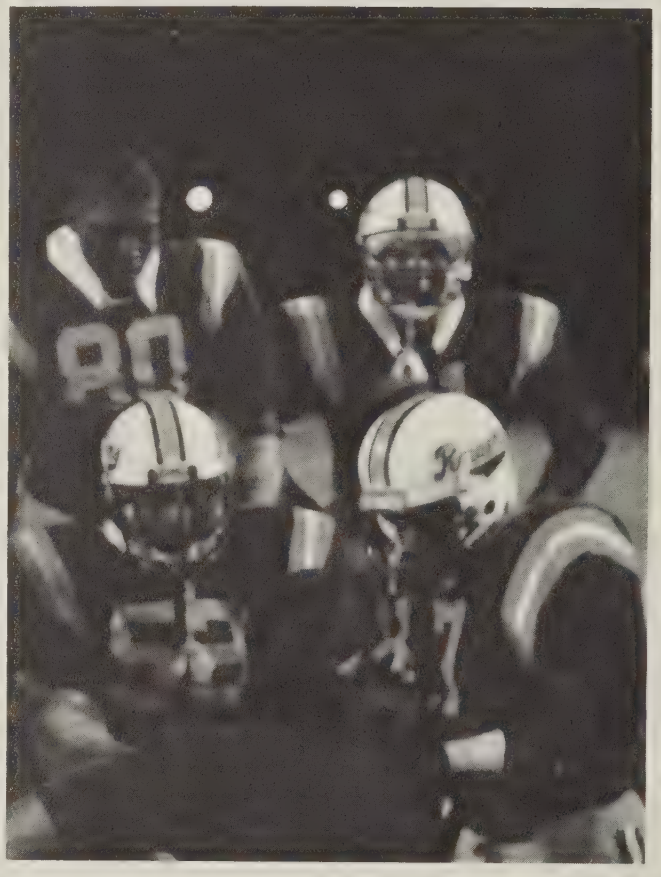
Preparing to pass is Milton Whitaker.

Behind the blocking of the offensive line, Milton Whitaker drops back to pass.

The thrill of victory, the agony of defeat; the Varsity Football team is no stranger to either one. They had a good season, winning tough games and loosing only to highly ranked teams. Hoping to capture the City Title, the Raiders suffered a heartbreaking loss to Ferguson in the last game of the regular season, causing them to tie for the City Championship.

The season started long before the first game. Preparation began August 10 with long, hot days of practice, repeated drills, and scrimmages.

The Varsity Football team is perhaps the most widely recognized team at Warwick High School. Weekly football games provide students a chance to show their school spirit by cheering and supporting their team.



The offense listens intently to Coach Lyons as he gives instructions.

Raiders

The Cross Country teams had a lot of ground to cover to keep up with their opponents this season. The Peninsula District presented one of the areas best fields of cross country runners.

The Boys' Cross Country team opened their season with high hopes and a new coach, Holly Crockett. The team placed second in the Norfolk Catholic Invitational Meet and finished sixth in the district, an improvement over last season. The Raiders were led by Senior Ronald Majette.

The Girls' Cross Country team, defending district champions, had another outstanding season this year. They defeated all of their district opponents and placed highly in all invitational meets.

Coach Dirl Riddle had three major goals for the team at the beginning of the season. The first was for the team to win the Peninsula District Meet for the third consecutive year. The second goal was to attempt to win the Eastern Regional Meet. Finally, he wanted the team to place in the top ten at the State Championship Meet.

The girls managed to accomplish two of the three goals. They finished first in the district, second in the region, and tenth in the state.

Presenting. . . . .

Warwick's Basketball team - the pride and joy of the school. Two starters from the 83-84 season returned for this year - Guy Fauntleroy and Darren Lassiter. Also returning were John Clark, Jimmy Stocks, James Moore, and Tom Pittman. The motivation factor for the success of the team was the enthusiam and intensity of basketball practices.

When interviewed by the Daily Press - Times Herald, Lonnie Howell was quoted as saying, "We're Warwick. That scares the opponents. They know we can play because we're Warwick. Just the name beats them sometimes."

This was true. The Warwick system of defenses was well-known, and perhaps gave the team an extra advantage in winning their third District championship in four years, as well as reaching their goal of going to the Regional playoffs.

Controlling the tip, Darren Lassiter jumps ball against Hampton.

The J.V. Soccer team was in a building process during the 1985 season. The team was donimated by eighth graders from various feeder schools. The skills ofthese players will make the team something to be wary of for the next few years. This years team was also unique in that three of its members were female. Angelia Moore, one of these three, was a returning starter from last year.

All That Glitters Is The Glory

The glory was theirs! Our Warwick Raiderettes had a tremendous 1984-85 season. Taking second in the District and first in the Regionals, Warwick went to the State tournament, making the girls the first Peninsula team to qualify for state since 1979. Traveling to James Madison University, the girls played in the semi-finals to beat South Lakes. South Lakes had a twenty-game winning streak, but was defeated by a score of 35-30. During the finals, however, the girls were defeated and became the State Runner-Up for the 84-85 season.

Led by Coach Bob Worthington, the Raiderettes finished their season with an overall record of twenty-five wins and four losses.

J.V. Keeps The Tradition Going

The J.V. Basketball team, not known for drawing large crowds to their games, worked hard and played well through the 1984-85 season. Under the coaching of Grant Robinson, the team held a record of twelve wins and four losses. The team also finished in second place among the other district teams.

The team was led by Nathaniel Howard who scored an average of nineteen points a game. Joe Prince was the leading rebounder and averaged fifteen points a game. Tony Wood came on about mid-way through the season to average twelve points a game. The other players also contributed very much in making this year successful.

Sticking With It

Waiting for her turn to perform, Kim Robinson prepares her strategy.

The Field Hockey season began on August 10 with daily practices. Through running, drills, and scrimmages, the team was prepared to start their regular season.

This season did not pass without bringing problems. The team started the season with a victory and continued to play well. However, goalie Deborah Speight was injured while cheering, and was therefore out for the rest of the season. This looked like the end of the season for the varsity team, but the team members stuck together and a new and inexperienced goalie was chosen and put in position. Even through this situation, the team members continued to perform well and were rewarded with an even season of six wins and six losses.

Some top scorers for the team were Paula Atkins, Sherri Foster, Gail Newman, Bonnie Rodwell, and Randy Edler.

Clubs for all Sorts

Students who join Warwick's Model U.N. Club face a lot of work. Their primary responsibility is to thoroughly research countries assigned to them by universities who sponsor mock United Nation sessions. Once the nations are researched, the students must accurately portray the countries at the mock confrence. Based upon the accuracy of the portraals, students are presented varying degrees of awards.

Warwick's Model U.N. organazation had a very successful season in 1983 -1984. It recieved honorable mention awards from both Old Dominion University and Georgetown Universiy for it's portrayal of South Africa and the People's Republic of Chinain those institution's mock U.N. sessions.In 1985-85, the group has already received a first place and to honorable mentions for it's representations of Nicaragua and France at the University of Virginia's November conference'and the students look forward to the challenge of prtraying Sweden at Georgetown University's February session.

The Computer Club was established to promote programming among Warwick's students. To aheive this goal in the 1984-85 school year,we have planned a series of excursions to loale computer facilities. Inaddition to these excursions, we have planned to host a few speakers on different aspects of computers and to program on the schools computers. Wehope this years Computer Club will learn a lot while having fun.

Language Clubs Open New Doors

The Spanish Honor Society at W.H.S. is an affiliate of the national organization. Our chapters name is Santa Teresa de Jesus'.

This organization was established to recognize students of Spanish with a B average or better in the language. A student of Spanish is elligable for membership after he has maintained a B average throughout the first semester.

A formal induction takes place in the spring after first semester.

We are an honorary society. We help our school by providing tutoring for other Spanish students. Occasionally we have fund raising activities to help defray national membership dues. This year we sold holiday napkins.

The purpose of the German Club is to give students of German, the opportunity to experience german customs and traditions outside of class. Most activities are of a social nature, allowing the students to get to know each other better, as well as getting to know other german students in the city and state.

In October, our club played the Menchville club in soccer. Although we lost, we all enjoyed a pizza feast afterwards. Warwick hosted the annual city-wide Oktoberfest, hosting students from Denbigh and Menchville. All were entertained with german food, music, and "mini-Olympic" events. The club is planning a german Christmas party, a picnic, a trip to Busch Gardens, a bowling party and in March, Warwick, along with all the High Schols in the area, will sponsor the state German Students' Convention. A dance, german mels and workshops will high-lite the two day affair.

The Drama club and Thespian Troupe 394 attempt to give Warwick students an opportunity to participate in theater of good quality and to present to Warwick High School's students, faculty, parents, and the community outstanding dramatic productions.

The advanced Drama class presented the one-act play, THE PORTRAIT OF DORIAN GRAY (based on the novel by Oscar Wilde); to invited audiences November 1-2 during the school day.

The fall production was Thornton Wilder's OUR TOWN, presented at 8:00 p.m. on November 15-16.

Also, the thespians will induct new members this spring in a formal ceremony. Induction in the International Thespian Society is the highest honor a student can earn in theater in high school. The Annual Staff Thanks All Those Who Helped

A new computer system brought many problems to the new staff and sponsor. The process of computers had to be learned and that newly learned knowledge had to be applied in such a way that it produced a yearbook. Lost discs, erased information, and glue messes were an every day occurence in the Annual Staff room. Due to all these problems, the yearbook would never have been produced without the help of committed individuals. We are therefore grateful to the following:

Beth Layton-for all the encouragement, support, and time you gave us.

Kyle Lawson-for producing and doing the artwork on the cover design.

Robert Barbour-for the characature of Mr. Stacy.

James Choung-for picture taking and artwork on divider pages.

Brian Carver-for artwork on divider pages.

Carol Thompson-for all the extra informative materials and support.

Billy Garrett and Tom Knox-for the flexibility and cooperation in meeting our schedules.

David Saunders-for all the help with those confusing computers, the extra time you've given us, especially all the times you made disks, and for all the problems you've solved.

Mr. Bobby Horne-for all the help with those confusing computers.

Chris Kowaleski, Ed Fuller, Chris Barfield, David Hammond, and Randy Hill-for picture taking.

Mrs.Walsh-for your advise and guidance.

Mr.Keesecker-for help with supplies,use of equipment,and for being a nice guy.

All Faculty-for your gracious attitude in allowing the staff to miss your classes.

Coach Worthington-for suppling game passes to photographers.

Mrs. Travis-for changing your schedule and allowing us to use the gym.

Mr. Horne-for helping us with problems on the computer.

Mrs. Jones-for rescheduling your classes and allowing us to use the computer room.

Office Personnel-For sending mail down, getting messages to us, and for making things a little easier.

Mrs. Brown-for the use of art supplies.

Mr.Walsh-for providing family pictures.

Local Buisnesses-for your continuing support and loyaltu.

Shipyard-for going out on a limb and buying an ad on the back cover.

Parents-for allowing us to come to school on the weekends.

Administration-for allowing us to use the building on weekends.

Mr. Fauntleroy-for providing electricity on weekends,giving us a tassel on the last minute,and for opening the gym and helping set up.

Mr.Brown and Mr.Colwell-for taking classes and lightening the load on Mrs. Hanburry.

All of Mrs.Hanburry's classes-for your cooperation at deadline times and for respecting our privacy.

Rita Mask-for understanding.

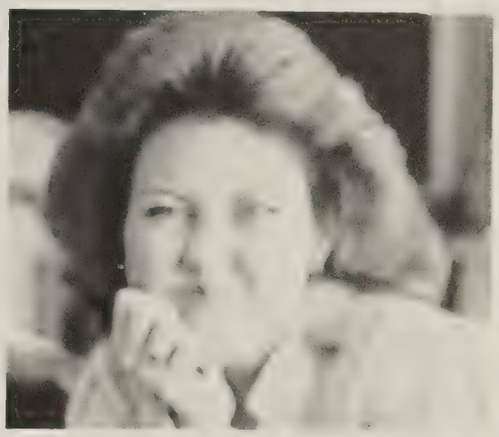
Janet Alford-for getting mail and messages to us.

Sarah Kraus-for getting a tassel and for taking care of our bills.

All Teachers,Parents,and Students who purchased a yearbook-Keep it up!

All the people who have shown concern and interest for the yearbook-Thank You!

Mrs.Hanburry-for putting up with our headstrong opinions, for taking on the BIG responsibility of producing a yearbook, and for doing a great job at a new job.



Angie Blevinsexpresses her true feelings on a number of deadlines.

Mrs.Debra Hanburry finds yearbook pressures to be tiring.

Synora Bishop shows much despair at yet another approaching deadline.

Mark Goodrich works steadily to crop pictures.

AND NOW A WORD FROM OUR SPONSORS...

Advertising on television provides the needed money to produce a t.v. show. Ads provide the needed money to publish the yearbook. Without the support from local businesses Warwick High School would not have a yearbook to look back and reflect on. We express our appreciation to the community for their continuing support.
